

Product Name: Pet cooling pad

Product Color: Blue

Product Size: S:30\*40cm/M:40\*50cm/MD:50\*65cm/L:90\*50cm/XL:95\*80cm

Product Weight:S/0.72kg, M/1.06kg ,MD/1.38kg, L/2.64kg

Product features:

1. No power supply required
2. Cool immediately after use
3. Low carbon and environmentally friendly
4. Reusable
5. No refrigeration required
6. Automatic cooling

Product details:

1.Elastic gel

Does not deform for a long time, and the unique pressure strip can effectively prevent the flow of gel and make the cooling balanced

2. Both sides can be used. Soft, comfortable, cool and heat-relieving, and the surface is easy to clean.

3. Thickened design

Visible thickness, non-sticky, antibacterial, deodorant, mildew-proof, washable directly

4. Highly efficient cooling

Has good constant temperature function, can maintain a cool temperature indoors for a long time
