High-End Hovering Arm

- 180° horizontal rotation + free hovering up, down, left and right
- Less effort during long-term use, delivering greater comfort

Medical-Grade ABS Countertop with Handle

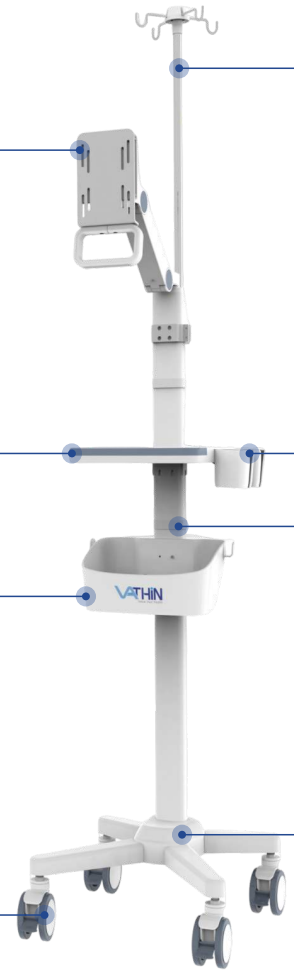

- Spacious operating surface: convenient, practical and flexible to maneuver
- Easy to clean without dead ends; disinfection-resistant
- Medical-grade ABS material meets clinical safety standards

Medical-Grade ABS Storage Basket

- Spacious capacity for thoughtful material organization
- Easy to clean and disinfection-resistant
- Simplifies infection control compliance

4-Inch Mute Medical Casters with brakes

- Smooth-gliding movement
- Preserves the tranquility of clinical environments
- Effortless pushing reduces physical fatigue during rounds/treatments

Heavy-Duty IV Pole

- Supports up to 4 IV bags at once, boosting work efficiency
- 2kg load capacity per hook; 4kg total load-bearing capacity
- Ensures safe and reliable use in clinical settings

Highly Compatible Custom Probe Cup

- Sleek aesthetic design
- Excellent stability to prevent slipping/damage
- Easy to clean and disinfect

Cable Clips

- Professional cable management system
- Enhances safety and tidiness during clinical operations
- Prevents cable tangling, snagging or interference with medical procedures

One-Piece Aluminum Alloy Base

- Sleek and minimalist design; easy to clean
- High-strength aluminum alloy ensures stable load-bearing with no wobbling
- Guarantees safe use in high-frequency clinical scenarios
- Maintenance-free; disinfection-resistant
- Rust and corrosion proof for long-term reliability

Medical Trolley

Compact, stable, and designed for clinical efficiency

Specifications

Model	RS008-16345
Cart Dimensions	Overall height: 1387 mm; Base width: 430 mm
Fluid Delivery Tube Length	70 cm
Gas Spring System	Load capacity: 500 N; Height adjustment range: 336 mm
Net Weight	16.5 kg
Materials	Aluminum alloy & ABS (Lightweight, durable, and easy to clean)
Casters	4-inch medical-grade silent casters with brakes Smooth mobility and secure positioning
Stability Test	Successfully passed 10° incline test
